Subject: Denka - Request for Denka Monitoring Protocol

Ms. Subra,

I am writing regarding your request for a copy of Denka's protocol to monitor chloroprene and 1,3 – butadiene emissions, which was required by a Clean Air Act information request issued by EPA. OAR and OECA extended the deadline for Denka to submit the protocol to August 16, 2021, and therefore Denka has not yet submitted the required protocol. Once submitted by Denka, the protocol will be subject to EPA review and may undergo revisions before it is finalized and approved by EPA.

We will provide additional information as it becomes available. Thank you for your request, and please let us know if you have any questions.

Regards,

Providence Spina, Attorney-Advisor
U.S. Environmental Protection Agency
